

ERASMUS+ KA104 ADULT EDUCATION STAFF MOBILITY
‘ ADULT EDUCATION FOR SOCIAL INCLUSION AND INTEGRATION’
PROJECT NO: 2019-1-TR01-KA104-071945
Czestochowa, 02 – 12.12.2019

The “ADULT EDUCATION FOR SOCIAL INCLUSION AND INTEGRATION “ project is implemented by the adult training staff at SARIÇAM HALK EĞİTİMİ MERKEZİ MÜDÜRLÜĞÜ – Adana [Turkey]. Ten teachers from “SARIÇAM“ benefit from the training period at “INSTYTUT BADAN I INNOWACJI W EDUKACJI” in Czestochowa – Poland [INBIE] from 02.12.2019 to 12.12.2019.

The training “**ADULT EDUCATION FOR INCLUSION AND DIVERSITY**” has been developed by “INSTYTUT BADAN I INNOWACJI W EDUKACJI” , taking into account the needs of teaching staff working at SARIÇAM“ in Adana. This training includes hands-on tasks, presentations, workshops and activities for self-reflection. The structured course covers a variety of theoretical and practical issues related to migration and integration issues, especially in the context of refugees.

Each module comprises several tasks, further divided into steps, which acquaint participants with an array of useful methods, techniques used in the work with refugees.

Each module consists of input from the host organization to the each subject and input from the participants in the form of group activities, presentations, self-reflections and future plans. The underlying concept of the training course is to find commonalities and good practices for transfer, also for both sides.

Upon completion of the training courses developed by “INSTYTUT BADAN I INNOWACJI W EDUKACJI” , the participants are able to:

- Plan, organise activities and strategies supporting integration of Syrian women
- Identify, plan and organise adequate empowerment measures in the field of education, social life, working life etc.
- Create, adapt and implement tools, approaches for empowerment of Syrian women

Since this is a valuable opportunity for all teachers in our institution, sharing of the information gained in the project through systematic reports, meetings and applied trainings is essential. When the Syrian women, the final beneficiaries of the current project, are taken into consideration, it is believed that the training course within the scope of the project is very useful for improving the trainings provided to the Syrian women in the institution.
