

**Cooperation for innovation and exchange of good practices**  
**2019-1-PL01-KA204-065689**  
**01.11.2019 – 30.10.2021**

SHEM organized a dissemination meeting to adult educators and stakeholders to introduce the project and present information about its objectives. About 60 participants attended the meeting (30.10.2019).

SHEM presented the ASIDE project in an international project meeting which was held in Adana, Turkey. The project coordinator gave information about the objectives and expected results of the project. There were about 25 participants from Turkey, Poland, Latvia, Italy and Greece (17.01.2020).

SHEM organized a meeting with its staff and stakeholders regarding the survey “**USE OF DIGITAL COMPETENCE AS AN EDUCATOR**” to be conducted by partners. All participants were informed about the survey (02.03.2020).

SHEM, TURKEY held a virtual meeting specially organized to present survey results on '**Use of Digital Competence as an Educator**' applied to a total of 93 adult educators and trainers (11.05.2020)

In addition, SHEM disseminated the research results on '**Professional Use of ICT- Based Solutions for Social Integration**' conducted by all project partners ( 22.06.2020).

SHEM prepared a project link on their webpage to disseminate the project.
